

Please note that the following document was created by the former Australian Council for Safety and Quality in Health Care. The former Council ceased its activities on 31 December 2005 and the Australian Commission for Safety and Quality in Health Care assumed responsibility for many of the former Council's documents and initiatives. Therefore contact details for the former Council listed within the attached document are no longer valid.

The Australian Commission on Safety and Quality in Health Care can be contacted through its website at <http://www.safetyandquality.gov.au/> or by email mail@safetyandquality.gov.au

Note that the following document is copyright, details of which are provided on the next page.

The Australian Commission for Safety and Quality in Health Care was established in January 2006. It does not print, nor make available printed copies of, former Council publications. It does, however, encourage not for profit reproduction of former Council documents available on its website.

Apart from not for profit reproduction, and any other use as permitted under the *Copyright Act 1968*, no part of former Council documents may be reproduced by any process without prior written permission from the Commonwealth available from the Department of Communications, Information Technology and the Arts. Requests and enquiries concerning reproduction and rights should be addressed to the Commonwealth Copyright Administration, Intellectual Copyright Branch, Department of Communications, Information Technology and the Arts, GPO Box 2154, Canberra ACT 2601 or posted at <http://www.dcita.gov.au/cca>

Feedback on the Medication Alert for intravenous potassium chloride (Alert 1, October 2003)

Thank you - Your feedback will strengthen the medication alert system and improve the safety of care.

The Australian Council for Safety and Quality in Health Care invites general feedback on this medication alert from all stakeholders. You are also invited to share your learning experiences by providing case studies, tips or tools for posting on the website. In particular, sharing of information from different settings is invited (e.g. private hospitals, rural hospitals, day care or aged care facilities) to assist progress in those settings.

FAX to: (02) 6289 8470 for the attention of Kathryn Bollen, Medication Safety Taskforce

Please answer the following questions (circle correct response)

Do you believe that the medication alert conveyed its message clearly?	YES	NO
