

### Stakeholder assessment worksheet

\* Adapted from Registered Nurses Association of Ontario (RNAO, 2002): *Implementation of Clinical Practice Guidelines*

Key stakeholder	Nature of the vested interest	Stakeholder Influence & support (high, and low)		Management strategies	Revise
		Influence	Support		
<i>Example: Managers</i>	<i>Example: Improving clinical services Meeting accreditation requirements Reducing incidents Being the best unit/facility Retaining staff Reducing OH&amp;S incidents</i>	<i>High</i>	<i>High</i>	<i>Example: Collaborate on all phases of the project Include on leadership team Frequent updates on progress</i>
