

Make a physical booklet for handout

You can print and assemble this PDF into an A5-sized booklet to give to consumers of your health service. Instructions for printing are shown below.

Option A: If your printer offers duplex (double-sided) printing

STEP 1

Print out the PDF (in duplex mode) to fit within an A4 landscape page.

STEP 2

Stack the three sheets in this order:

STEP 3

Fold the three-sheet stack in half and staple at the spine.

Option B: If your printer offers one-sided printing only

STEP 1

Print out the PDF to fit within an A4 landscape page.

STEP 2

Place the following pairs of sheets back-to-back to form three sets:

STEP 3

Stack the three sets (six-sheet stack) in this order:

STEP 4

Fold the three sets (six-sheet stack) in half and staple at the spine.
