Welcome

Welcome to the National Hand Hygiene Initiative (NHHI) learning management system.

You are registered as an **Organisation Administrator**. This means that you can run reports of hand hygiene learning modules completed by users at your organisation and perform other coordinating activities.

This document outlines the essential information for your use of the system.

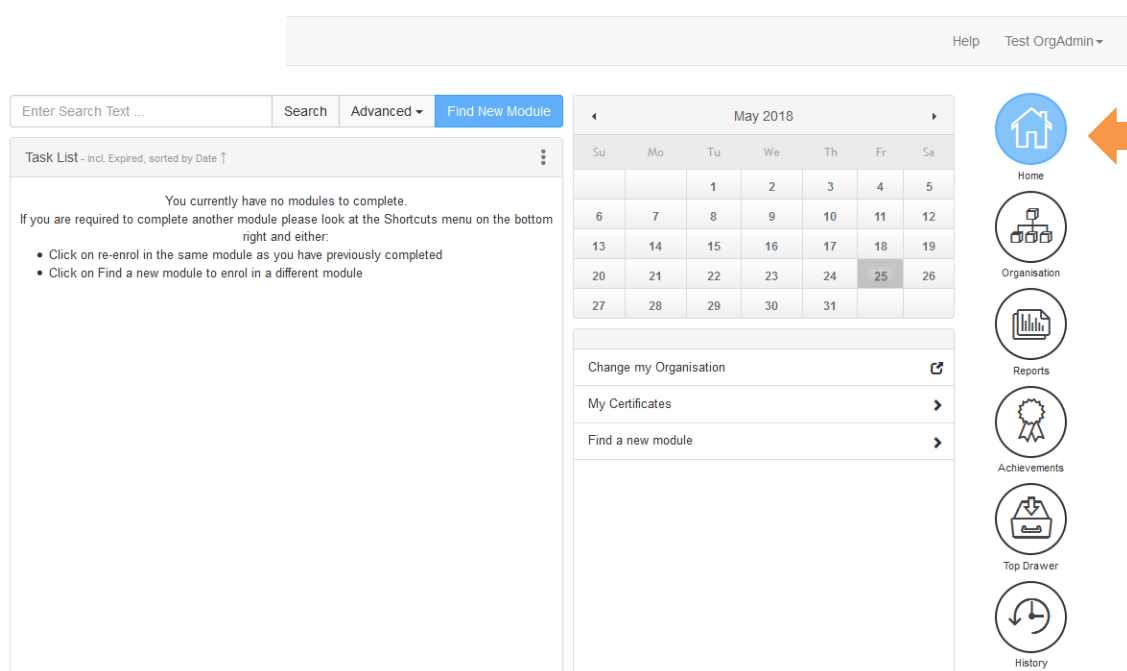

Currently under review

Organisation Administrator

Home screen

Once you have logged in to the system, you will be presented with your homescreen. You can always return to the home screen by clicking on the **Home** icon on the right of the screen. There are a range of other icons below the **Home** icon. In the following sections we'll describe how to use the most important and useful features.

If you have any learning tasks to perform yourself, they are listed under **Task List**. You can also select **Find New Module** to select learning modules that you would like to complete. This is explained in more detail below (**How an Organisational Administrator can use the system as a Learner**).

The First Time You Login

Here we outline three simple steps for you to follow when you first log in to the system in an **Organisation Administrator** role. As well as ensuring that you and your organisation are correctly set-up, this process should also serve as an orientation to this new system.

To ensure that the system is correctly configured, please work through the three simple steps described in the following pages:

Currently under review

Step 1: Check that you have access to the correct organisation(s)

History

1. Select the **Organisation** icon on the right side of the page
2. See what organisation(s) you have access to using the **Select Organisation** drop-down box
3. Please alert the Commission via email (handhygiene@safetyandquality.gov.au) if the organisation(s) that you have access to are incorrect

Otherwise, please proceed with Step 2.

Currently under review

Step 2: Update your organisation's details

1. From the drop down list in Step 1, select one organisation name and press the Refresh Button

The screenshot shows the 'Organisation Details' form. At the top, there is a navigation bar with 'Help' and 'Test OrgAdmin'. Below this is a tabbed interface with 'Details' selected. The 'Details' tab contains a 'Select Organisation' dropdown menu with 'Test Hospital [TEST-TEST]' selected. An orange oval highlights this dropdown, and an orange arrow points to the 'Refresh' button. Below the dropdown is a 'Modify' button. The form is divided into sections: 'Details' (Organisation Code: TEST-TEST, Organisation Name: Test Hospital), 'Contact' (Contact Person, Office Phone, Fax, Contact Email), and 'Address' (Street, City: Test). On the right side, there is a vertical sidebar with icons for Home, Organisation, Reports, Achievements, Top Drawer, and History.

2. Press the **Modify** button

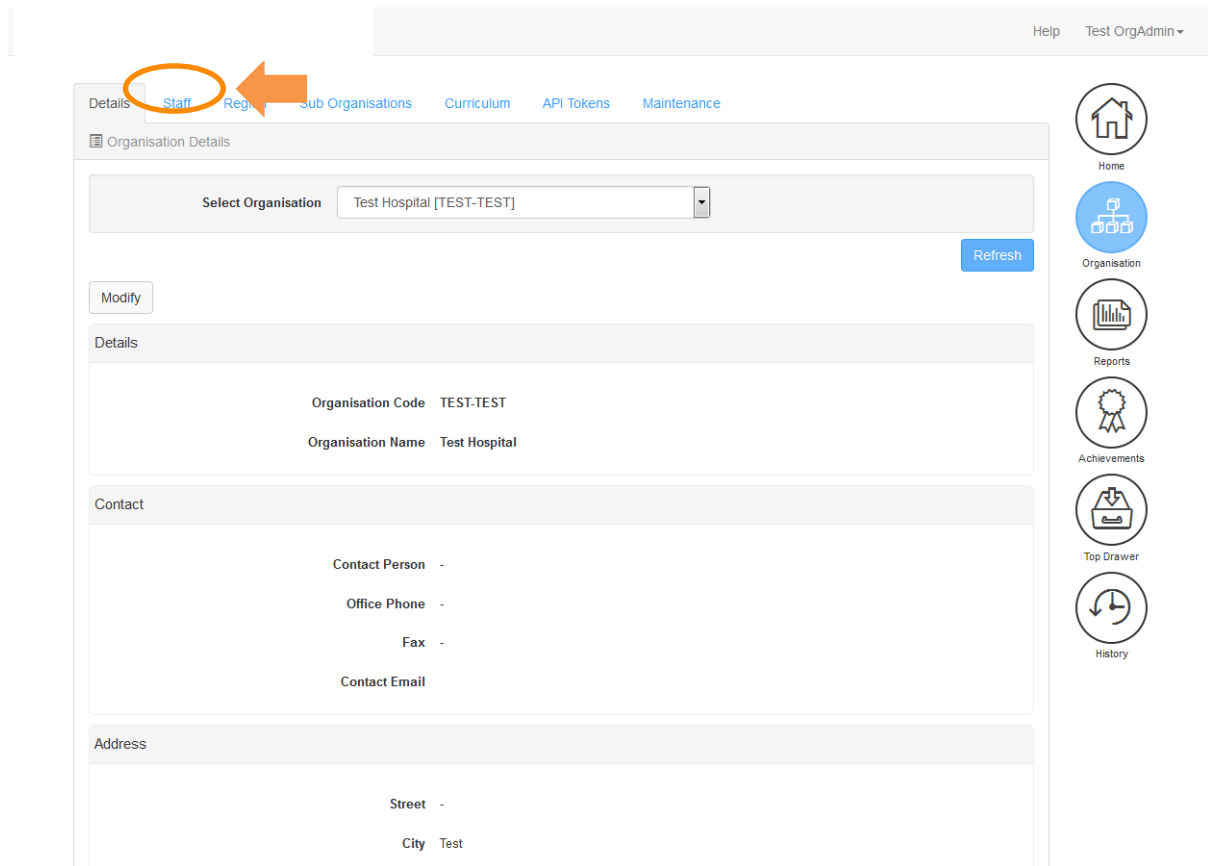

This screenshot is similar to the previous one, but the 'Modify' button is highlighted with a blue vertical bar and an orange arrow pointing to it. The 'Refresh' button is also visible. The form fields and sidebar remain the same.

3. Add **Contact** and **Address** details for your organisation. The contact person should be the person that coordinates reporting of the hand hygiene learning modules at your organisation e.g. hand hygiene program lead or education officer
4. Press **Save**

Note: If you are an Organisation Administrator for more than one organisation then you will need to repeat the process described on this page for each organisation.

Currently under review

Step 3: Check the list of Organisation Administrators for your organisation

1. Click on the **Staff** tab. A list of Organisation Administrators and Learners is shown. The Organisation Administrators have access to completion reports. Learners can complete learning modules and retrieve their own certificates (but don't have access to details related to any other users).
2. If you believe that the list of Organisation Administrators needs to be amended, please contact the NHHI via email (handhygiene@safetyandquality.gov.au)
3. Click on your name, then press **Modify** and add your employee number and other details as appropriate

Note: If you are an Organisation Administrator for more than one organisation then you will need to repeat the process on this page for each organisation.

All done!

Thank you for reviewing the configuration of your organisation(s). Please contact us via email at handhygiene@safetyandquality.gov.au if you have any questions.

How to Run a Report

This document explains how to run the reports that are available to users with **Organisation Administrator** access. For a general introduction to the system, please refer to the section on *The First Time You Login*.

Reports Page

Select the Reports icon on the right side of the page.

There are three reports available under the heading **My Report Shortcuts** on this page. These reports will meet most of your reporting needs and can be used as follows:

Shortcut report	Description	Uses
1. Any status/All learners/All courses/Result	Provides a report of all learners, for all courses	<ul style="list-style-type: none">Great for matching with a HR database for mandatory hand hygiene trainingAbility to limit to most recent course for each learner (some learner's complete multiple courses)
2. Any status/All learners/Any course/Result	Provides a report for all learners for a particular course	<ul style="list-style-type: none">Great for reviewing if all auditors have completed the Annual Auditor Validation course
3. Any status/All learners/Multiple Courses/Result	Provides a report for all learners for multiple courses as chosen by you	

Currently under review

Shortcut Report 1: Any status/All Learners/All Courses/Result

1. Select the shortcut from the main reports page

My Shortcuts

To add a report to your Shortcut List, click the 'Add to My Reports' link next to any report shown on the Report tabs.

My Report Shortcuts		
1	Any Status/All Learners/All Courses/Result	A list of Enrolments by their Status (In Progress, Exempted, Completed etc) Remove
2	Any Status/All Learners/Any Course/Result	A list of Enrolments by their Status (In Progress, Exempted, Completed etc) for a chosen Course Remove
3	Any Status/All Learners/Multiple Courses/Result	A list of Enrolments by their Status (In Progress, Exempted, Completed etc) across multiple Courses Remove

2. Complete the report form

Close

Any Status/All Learners/All Courses/Result

Course Type: All

Status: Registered, Not Started, In Progress, Ready to Finalise

Select Region(s): Click or enter Region Name [Clear All] [Select All]

☐ All Records (batch job emailed within an hour)

Choose Columns [Run Report]

You must select an organisation. Most reports can be run without entering any other details, but here is more information:

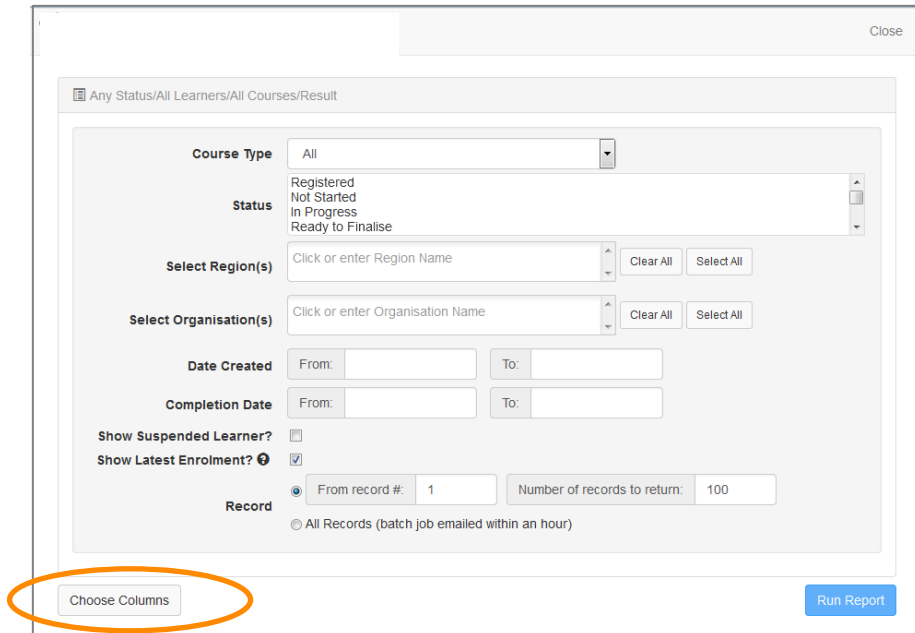

Field	Instructions/explanation
Course type	<ul style="list-style-type: none">choose 'Online'
Status	<ul style="list-style-type: none">choose 'Completed' if you want a list of people that have finished the learning module
Select Region	<ul style="list-style-type: none">If you are attached to multiple regions, choose the one you want for the reportOr choose multiple for a combined report
Select Organisation	<ul style="list-style-type: none">If you are attached to multiple organisations, choose the one you want for the reportOr choose multiple for a combined report
Date selector	<ul style="list-style-type: none">Choose the date range for either first enrolment date, and/or completion date* (*Completion date should be the first used)Leave this field empty for a report for all dates
Show suspended learner? <i>Unchecked by default</i>	<ul style="list-style-type: none">A suspended learner is one that has been removed from your organisation
Show latest enrolment? <i>Checked by default</i>	<ul style="list-style-type: none">If the learner has more than one enrolment in a course selecting this will ensure only their latest enrolment will be included in the report

3. Click 'Run Report'

Currently under review

Optional

4. If you would like to modify the information included in your report, select 'Choose Columns'.

The screenshot shows a report configuration window titled 'Any Status/All Learners/All Courses/Result'. It contains several filter sections: 'Course Type' with a dropdown set to 'All'; 'Status' with a list including 'Registered', 'Not Started', 'In Progress', and 'Ready to Finalise'; 'Select Region(s)' and 'Select Organisation(s)' each with a text input and 'Clear All'/'Select All' buttons; 'Date Created' and 'Completion Date' each with 'From' and 'To' date pickers; 'Show Suspended Learner?' with an unchecked checkbox; 'Show Latest Enrolment?' with a checked checkbox; and a 'Record' section with a radio button selected for 'From record #' (set to 1) and a 'Number of records to return' set to 100. At the bottom, there is a radio button for 'All Records (batch job emailed within an hour)'. The 'Choose Columns' button at the bottom left is circled in orange, and a 'Run Report' button is at the bottom right.

Please ensure you choose the Save Option: **For me with role Organisation Admin.**

Choosing the “for user with role” option will save the report for **ALL** users with that role within the LMS

5. Press 'Download Report (CSV file)' to download your report. The CSV file can be opened using Microsoft Excel.

Scheduled Reports

For any report that is run there is the option to “schedule” the report. Scheduling a report sets up an automatic report that will be emailed to the intended recipient(s) on a set schedule.

Run the specific report that is required to be scheduled. Then there are two options:

1. If you chose to run your report on screen:

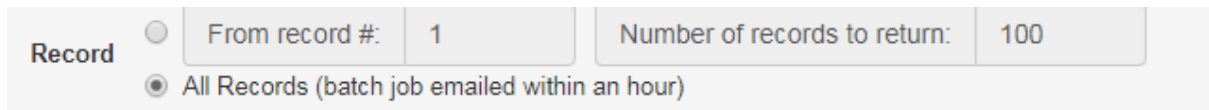

This screenshot shows the 'Record' section of a report interface. It features two radio buttons. The first radio button is selected and is followed by a form with two fields: 'From record #' with the value '1' and 'Number of records to return:' with the value '100'. The second radio button is unselected and is followed by the text 'All Records (batch job emailed within an hour)'.

Then at the bottom of the report page will be the option to Schedule Email Reports:

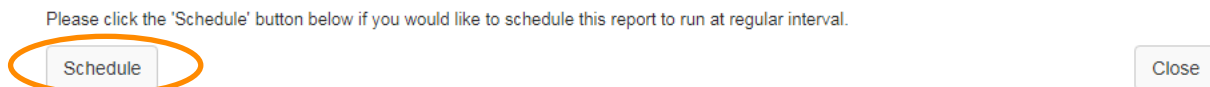

This screenshot shows the footer of a report page. It contains three links: 'Print Friendly', 'Email This Page', and 'Schedule Email Reports'. The 'Schedule Email Reports' link is circled in orange. To the right of these links is the Southrock logo.

2. If you chose to have your report emailed:

This screenshot shows the 'Record' section of a report interface, similar to the one above. In this case, the second radio button is selected, which is followed by the text 'All Records (batch job emailed within an hour)'. The first radio button is unselected and is followed by a form with two fields: 'From record #' with the value '1' and 'Number of records to return:' with the value '100'.

Then on the next screen there is a “Schedule” button:

This screenshot shows a message: 'Please click the 'Schedule' button below if you would like to schedule this report to run at regular interval.' Below the message is a button labeled 'Schedule', which is circled in orange. To the right of the 'Schedule' button is a 'Close' button.

Either result will take the user to the Schedule email reports set up page. Fill in the required details:

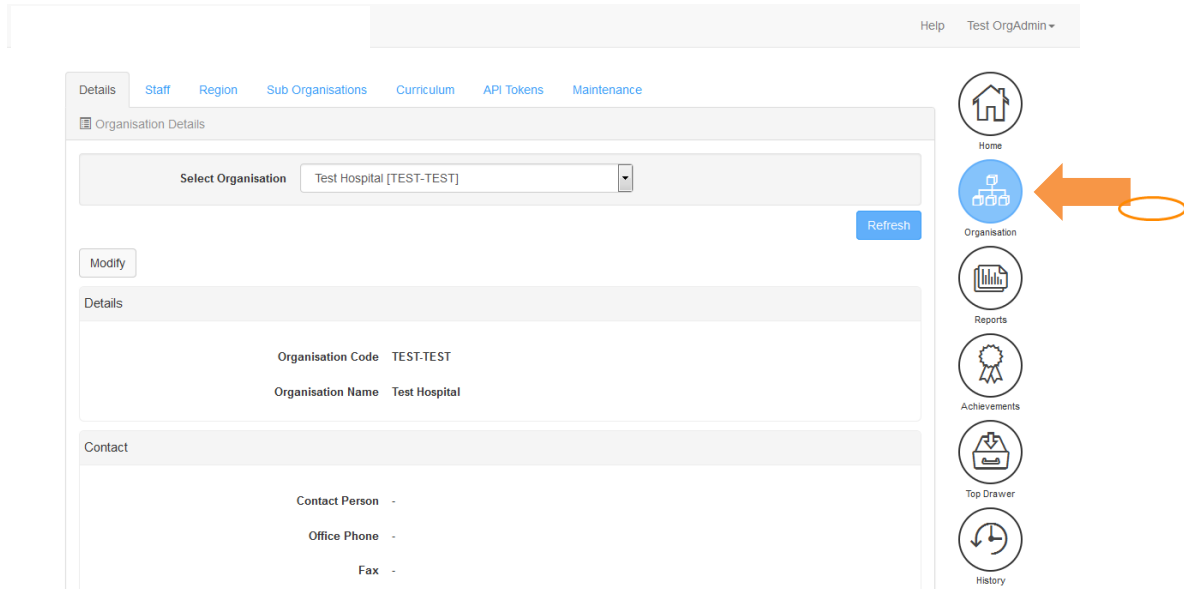

- Copy to List (cc list)
- Schedule type – By specific day(s) or by date
- Date options
- End date for sending report

Organisation Administrator Functions

View Learners

Click on the **Organisation** tab,

then the **Staff** tab to view the people attached to your organisation as **Organisational Administrators** and **Learners**:

Currently under review

Search for Learners

From the Staff tab of your organisation, there is the ability to search for an individual learner by using the 'Search for Learners' function:

The screenshot shows the 'Organisation Staff' page with tabs for Details, Staff, Region, Sub Organisations, Curriculum, API Tokens, and Maintenance. The 'Staff' tab is active. Below the tabs is a 'Select Organisation' dropdown menu with 'Test Hospital [TEST-TEST]' selected. A 'Refresh' button is to the right. Below this is a table for 'Organisation Admins' with columns: Staff ID, Name, Email, and Organisation Admin Type. The table contains one row: 1, test.orgadmin, OrgAdmin, Test, test@test.test, Direct Organisation Admin. Below the table is a 'Learners' section with a 'Search for Learners' input field and a magnifying glass icon, both circled in orange. There is also a 'Go to' button next to the search field.

PLEASE NOTE: After typing in the search box, you **must** click on the magnifying glass to start the search.

Learner Profile Quick Links

From the staff tab above, an Organisation Administrator is able to view an individual learner profile. The 'Go to' function allows for quick links to an individual learner's:

- Training plan (modules a learner is enrolled in)
- History (a list of all modules completed)
- Achievements (view PDF of completed module certificates)

The screenshot shows the 'Organisation Staff' page with the same layout as the previous one. In the 'Learners' section, the 'Go to' button is circled in orange. The 'Go to' button is a dropdown menu with a magnifying glass icon. Below the 'Go to' button is an 'Enrol' button. At the bottom of the page, there is a 'Not at my Organisation' button. On the right side of the page, there is a vertical sidebar with icons for Home, Organisation, Reports, Achievements, Top Drawer, and History.

Currently under review

Update learner details

There are a number of changes an Organisation Administrator can make to a Learner's profile:

Modify learner profile details

If a learner at your organisation reports having difficulties logging in to the NHHI learning management system, and they have tried to use the help pages on the LMS Login Page:

Need Help?

If you have forgotten your Login ID or password, please click the button below for an email with the required details to be sent to you.

[FORGOTTEN LOGIN ID OR PASSWORD](#)

If you need further assistance, please click the appropriate button below.

[HAVING TROUBLE LOGGING IN?](#)

[FREQUENTLY ASKED QUESTIONS](#)

Then an **Organisation Administrator** is able to review the learner profile and modify any incorrect information.

Once logged in, click on the Organisation tab, then the Staff tab. Select a specific learner from the list by clicking on their [username]:

The screenshot shows the NHHI LMS interface. At the top, there is a navigation bar with 'Help' and 'Test OrgAdmin'. Below this is a tabbed interface with 'Details', 'Staff', 'Report', 'Sub Organisations', 'Curriculum', 'API Tokens', and 'Maintenance'. The 'Details' tab is selected, and the 'Staff' sub-tab is highlighted. The main content area is titled 'Organisation Staff' and contains a 'Select Organisation' dropdown menu set to 'Test Hospital [TEST-TEST]' with a 'Refresh' button. Below this is a table for 'Organisation Admins' with columns for 'Staff ID', 'Name', 'Email', and 'Organisation Admin Type'. The table contains one row for 'test.orgadmin'. Below the table is a 'Learners' section with a 'Search for Learners' input field and a 'Go to' dropdown menu. The 'Learners' table has columns for 'Select', 'Learner Details', and 'Go to'. The first row shows a learner with the username 'test.orgadmin' circled in orange. An orange arrow points to the 'Organisation' icon in the sidebar on the right.

Staff ID	Name	Email	Organisation Admin Type
1	test.orgadmin	test@test.test	Direct Organisation Admin

Select	Learner Details	Go to
<input type="checkbox"/>	1 OrgAdmin Test [test.orgadmin]	...

Currently under review

This will open up the **Learner details** screen. By clicking on the **Modify** button, any information on this page can be corrected and saved in the learner's profile.

Enrol a learner in a module

From the Staff tab or the above **Learner Details** screen an Organisational Administrator can enrol a learner in a module. This is useful if you want to:

- Ensure hand hygiene auditors are enrolled in the mandatory annual auditor module
- Ensure participants in your local auditor training are enrolled in the mandatory pre-workshop online module
- Assist a learner having difficulty enrolling themselves.

Step 1 – Select a learner and click on the enrol button

The screenshot shows the 'Learner Details' page. At the top, there are tabs: 'Details', 'Organisation', 'Other Info', 'Enrol Policy', and 'Login Logs'. The 'Details' tab is active. Below the tabs, there are fields for 'Organisation' (TEST-TEST Test Hospital) and 'Region' ([ACT] Australian Capital Territory). The main section is titled 'Details' and contains fields for 'Learner ID' (test.orgadmin), 'Last Name' (OrgAdmin), 'First Name' (Test), 'Title' (-), 'Employee No' (123456), 'Gender' (-), 'Date Of Birth' (-), and 'Type' (* NONE *). Below this is the 'Contact' section with an 'Email' field (test@test.test). The 'Address' section has fields for 'Street' (-), 'City' (-), 'State' (* NONE *), 'Post Code' (-), and 'Country' (-). At the bottom, there are buttons: 'Modif', 'Enrol' (circled in orange), 'Change Password', 'Send Logon Info', and 'Not at my Organisation'. On the right side, there is a vertical sidebar with icons for Home, Organisation, Reports, Achievements, Top Drawer, and History.

The course selector page will appear

The screenshot shows the 'Course Selector' page. At the top, there are tabs: 'Find', 'Enrol', and 'Bulk Finalise'. The 'Find' tab is active. Below the tabs, there is a section titled 'Enter search criteria below to look for Courses:'. It contains fields for 'Course Code', 'Course Name', 'Keyword Search', 'Global Curriculum' (with a dropdown menu set to '* Any *'), and 'Region Curriculum' (with a dropdown menu set to '* Any *'). There is a 'Browse' button next to the 'Course Code' field. At the bottom right, there is a 'Find Course' button.

Currently under review

Step 2 – Select the course for enrolment by pressing the ‘find course’ button, then select the required module and press the ‘Continue to Session Selector’ button

Change a learner's password

From the learner details page, click on the change password button:

The screenshot shows the 'Learner Details' page for a user named 'test.orgadmin'. The page has a top navigation bar with 'Details', 'Organisation', 'Other Info', 'Enrol Policy', and 'Login Logs'. The 'Details' tab is active. The page displays various fields for the learner, including 'Organisation', 'Region', 'Learner ID', 'Last Name', 'First Name', 'Title', 'Employee No', 'Gender', 'Date Of Birth', and 'Type'. The 'Change Password' button is circled in orange at the bottom of the page. Other buttons visible are 'Modify', 'Enrol', 'Send Logon Info', and 'Not at my Organisation'. A sidebar on the right contains icons for Home, Organisation, Reports, Achievements, Top Drawer, and History.

A new window will open to allow you to enter a new password, to confirm the new password, and to select whether you wish the learner to be prompted to change their password the next time they login:

The screenshot shows a 'Change Password' dialog box. It contains three input fields: 'New password:', 'Confirm New Password:', and 'Force Password Change:'. The 'Force Password Change' checkbox is checked. At the bottom, there are two buttons: 'Change Password' and 'Reset'.

By pressing the 'change password' button you are confirming the change.

Currently under review

Send login details to a learner

From the Learner details page, check that the learner's email address is correct and then click on the 'send login info' button:

The screenshot shows the 'Learner Details' page for a learner named 'test.orgadmin'. The page is divided into several sections: 'Organisation' (showing '[TEST-TEST] Test Hospital' and '[ACT] Australian Capital Territory'), 'Details' (showing personal information like 'Last Name: OrgAdmin', 'First Name: Test', 'Employee No: 123456', etc.), 'Contact' (showing 'Email: test@test.test'), and 'Address' (showing fields for Street, City, State, Post Code, and Country). At the bottom of the page, there are buttons for 'Modify', 'Enrol', 'Change Password', and 'Send Login Info'. The 'Send Login Info' button is circled in orange. A 'Not at my Organisation' button is also present at the bottom right. The top of the page has a header with 'Help' and 'Test OrgAdmin'. A sidebar on the right contains icons for Home, Organisation, Reports, Achievements, Top Drawer, and History.

Remove a learner from your organisation

On review of your 'Staff' listed on your Organisation page, if there are names of people who are no longer at your organisation, the Organisational Administrator is able to remove these names so that their results no longer appear on your reports.

For all learners you wish to remove, **mark the checkbox with a tick**, then press the '**Not at my Organisation**' button:

The screenshot shows the 'Organisation Staff' page. At the top, there's a navigation bar with 'Help' and 'Test OrgAdmin'. Below it, a tabbed interface shows 'Staff' as the active tab. The main content area is titled 'Organisation Staff' and includes a 'Select Organisation' dropdown set to 'Test Hospital [TEST-TEST]' and a 'Refresh' button. Below this, there's a table for 'Organisation Admins' with columns: Staff ID, Name, Email, and Organisation Admin Type. The table contains one entry: '1 test.orgadmin OrgAdmin, Test test@test.test Direct Organisation Admin'. Below the table is a 'Learners' section with a 'Search for Learners' input and a 'Go to' dropdown. A table lists learners, with the first entry '1 OrgAdmin, Test [test.orgadmin]' having a checkbox in the 'Select' column, which is circled in orange. To the right of the table is an 'Enrol' button. At the bottom right of the learners table, there is a button labeled 'Not at my Organisation', which is also circled in orange. On the far right, a vertical sidebar contains icons for Home, Organisation, Reports, Achievements, Top Drawer, and History.

This will remove the person from the list of Learners at your organisation, and it will send an email to the learner to alert them to the need to update their organisation the next time they use the system.

How an Organisational Admin can use the system as a Learner

Most of this document is about the basics of using this LMS as an **Administrator**. However, you yourself may need to use the system as a **Learner**. This section describes how to become a learner and find and enrol in the course you want to complete.

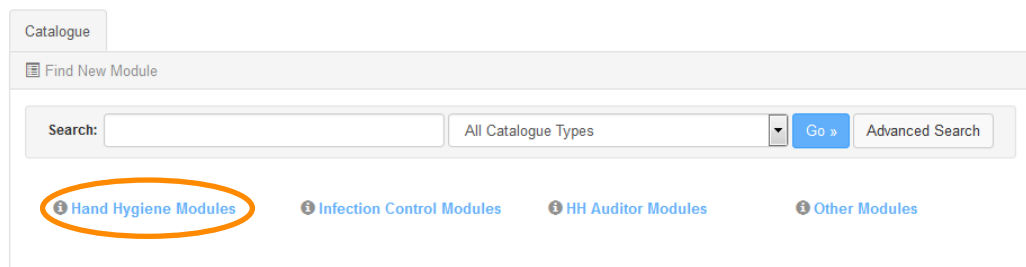

Login to the system as you would as an Administrator.

Course Enrolment

1. From the homepage, select **Find new Module**

2. Select the type of module you wish to complete: 'Hand Hygiene Modules', 'Infection Control Modules', 'HH Auditor modules', or 'Other modules'.

3. Find the module that you need to complete and click on the name heading.

Currently under review

4. Select **Enrol** from the booking details section.

The screenshot shows the 'Hand Hygiene Medical Online Learning Module' page. The 'Booking Details' section is expanded, showing the following information:

- Hand Hygiene Medical Module (from: Australia)**
- Dates:** 05-MAY-2015 09:00 AM to 05-MAY-2015 05:00 PM
- Location:** Online
- Capacity:** 6/Unlimited Enrolments
- Session Contact:** [Hand Hygiene Australia](#)

The **Enrol** button is circled in orange. The page also includes a search bar, a 'Back to Catalogue' link, and a sidebar with navigation icons for Home, Achievements, Top Drawer, and History.

5. Return to **Home** and click on the module from your Task List.

The screenshot shows the 'Hand Hygiene Medical Online Learning Module' entry in the 'Task List'. The entry is circled in orange and includes the following information:

- Hand Hygiene Medical Online Learning Module**
- Status:** Not Started
- Start Date:** 05-MAY-2015
- Due Date:** 05-MAY-2016

The page also features a search bar, a 'Browse Catalogue' link, and a calendar view for March 2016. The sidebar includes navigation icons for Home, Organisation, Reports, and Achievements.

How to Invite your Staff/Students to use the NHHI LMS

While self-registration should be straightforward for learners at your organisation, you may want to provide them with some instructions to guide them through the process. You can adapt the instructions below for this purpose. We would suggest that you 'cut and paste' them into a new document, then adapt them to suit your organisation by selecting the appropriate options.

1. Please provide the following URL to your staff/students to access the new LMS:

<https://nhhi.southrock.com>

2. From the login screen please direct them to press the **Register Now** button if they are new to the system.

The screenshot shows the NHHI LMS login interface. At the top, it says 'Login'. Below this, there are two main sections: 'First visit to Training?' and 'Already Registered?'. The 'First visit to Training?' section includes a 'REGISTER NOW' button, which is circled in orange. The 'Already Registered?' section includes fields for 'Login ID or Email' and 'Password', and a 'LOGIN' button. Below these sections is a 'Need Help?' section with a 'FORGOTTEN LOGIN ID OR PASSWORD' button. At the bottom, there are two buttons: 'HAVING TROUBLE LOGGING IN?' and 'FREQUENTLY ASKED QUESTIONS'. A blue box at the bottom contains information about recommended browsers: Chrome, Microsoft Edge, Safari, and Firefox. It also includes a note about Internet Explorer.

Login

First visit to Training?

Please register if this is your first visit since March 2016.

REGISTER NOW

Already Registered?

Please enter your Login ID (or Email) and Password to login.

Login ID or Email

Password

LOGIN

Need Help?

If you have forgotten your Login ID or password, please click the button below for an email with the required details to be sent to you.

FORGOTTEN LOGIN ID OR PASSWORD

If you need further assistance, please click the appropriate button below.

HAVING TROUBLE LOGGING IN? **FREQUENTLY ASKED QUESTIONS**

The learning modules are best opened in the most up-to-date version of the following Internet Browsers:

- Chrome
- Microsoft Edge
- Safari
- Firefox

Please note: If you are experiencing problems using the learning modules in **Internet Explorer**, try using one of the above internet browsers instead.

Student - Australia

Step 1

Choose Country - Australia

Choose Affiliation – Student

Choose who should see your records

The screenshot shows a web form titled "Self Registration" with a sub-header "Step 1". Below the sub-header, it says "Please answer the following questions, then click Continue:". The form contains four questions, each with a dropdown menu:

- "What country are you in?" with "Australia" selected.
- "Are you:" with "Student" selected.
- "Who should see your records?" with an empty dropdown menu.
- "Which sector are you in?" with a list of options: "Healthcare organisation", "Education Facility", and "Neither".

At the bottom of the form is a blue button labeled "Continue »".

- If Healthcare organisation is chosen – follow instructions for associated with a health organisation – Australia above from Step 2
- If Education Facility is chosen, press continue

Step 2

Start typing your education facility name

Press continue

Self Registration

As above

Frequently Asked Questions

Administrators

Q: Why was a new learning management system (LMS) released in 2016?

A: The new LMS provides:

- Improved reporting capabilities;
- An improved learner experience, with learners being able to save and return to e-modules and access historical records and certificates;
- A modern interface with added functionality including email reminders.

Q: Can the NHHI LMS link with my organisation's HR system, active directory or existing learning management system?

A: Data can be extracted from the NHHI system automatically via an API. Please review the document on how to do this on the Commission's website, and please contact the Commission if you need further assistance – handhygiene@safetyandquality.gov.au

Q: How do I add an organisation to the listing in the Self Registration?

A: Please contact the Commission on handhygiene@safetyandquality.gov.au and provide the following details:

- Name and address of the organisation
- Name and email of the person needing access to the reports (can have multiple, but all must be registered learners of the system already)

Q: Can I add departments to my organisation to allow reporting of learners by department?

A: At this stage you are unable to add departments, however if you need this option please contact the NHHI on handhygiene@safetyandquality.gov.au

Q: How do I provide access for others to view reports?

A: Please contact the Commission on handhygiene@safetyandquality.gov.au and provide the following details:

- Name of the organisation
- Name and email of the person needing access to the reports (can have multiple)

Q: Will there be updates to the content of the existing online learning packages (OLP)?

A: A complete review of the content of all the available OLPs was undertaken in 2017. The Commission will review content in the future and provide updates as necessary.

Currently under review

Q: Will any new courses be added to the LMS in the future?

A: If you have other types of courses you would like to propose please contact the Commission on handhygiene@safetyandquality.gov.au

Q: What is the Infection Control Orientation module?

A: The Commission is currently redeveloping these modules. We apologise for any inconvenience caused during the redevelopment process.

Currently under review

Learning Modules

Q: Which learning module should I complete?

A: The learning modules are labelled according to health profession categories. The following are recommended:

- Nursing module – nurses to complete
- Medical module – doctors to complete
- Allied Health module - allied health professional to complete (e.g. OT, Physio etc),
- Dental module - dental health staff and students
- Non-clinical module - healthcare support staff to complete (e.g. staff who work in the same areas as patients; orderlies, volunteers, ward clerks, cleaning and food services)
- Royal Australasian College of Surgeons module – surgical trainees and surgeons to complete
- Renal/dialysis module – any staff within a dialysis setting
- Standard theory module – anyone who doesn't fit the above categories e.g. dental staff, ambulance staff, health staff with no contact with patients
- Student module – all students to complete
- Annual auditor validation module – only trained hand hygiene auditors who have attended additional auditor training are to complete this annually
- Auditor Pre-workshop module – for people registered to attend a face to face hand hygiene auditor workshop

Q: How do I enrol in a learning module?

A: To enrol in a module that you have previously completed: choose the 'Re-enrol in ...' option in the Shortcuts menu located on the bottom right of your screen once you have logged in.

To enrol in a module that you have not previously completed: choose the 'Find a New Module' option in the Shortcuts menu located on the bottom right of your screen once you have logged in.

Q: I have enrolled in the wrong learning module. How do I change this?

A: Click on the incorrect module on your task list, then press the 'cancel enrolment' button. This will remove the module from your task list. Then you need to follow the steps to 'enrol in a learning module' as above.

Q: I have pressed the 'Start module' button, but the module is not opening. What do I do?

A: Pressing the 'Start module' button triggers a new window to open containing the learning module content. If your internet browser is set to 'block pop-ups', then this could be the reason why you are unable to open the module. Check and reset your internet browser security options to allow pop-ups from the NHHI learning site, and the module should open.

Currently under review

Q: When will the revised Infection Control modules be available?

A: The Infection Control modules are currently being redeveloped. The revised modules will be available as soon as possible in 2020. We apologise for any inconvenience.

Q: I answered a question incorrectly in the final quiz in my module, now I am unable to return to the final quiz to repeat it. How can I finish the module?

A: Complete the following steps to return to the final quiz:

- Return to your Home page
- Click on the module on your Task List
- Click on the “Start Module Now” button
- Answer “cancel” when asked “Do you wish to return to your bookmarked page?”
- Click on the left hand menu item for the final quiz section

Currently under review

Certification

Q: How can I get a copy of my certificate?

A: Please log in to the system as a Learner. In the Shortcuts menu located on the lower right of your screen, please choose the 'My certificate' link. A certificate can be downloaded as a PDF anytime. If no certificate is available, please select 'Home' from the menu on the right of the screen and check if there is a module on your Task List. If yes, then you have not completed the learning module yet. Once completed, your certificate will be emailed to you to the email in your profile, it will also be available in your Achievements folder.

Q: When does my certificate expire?

A: The NHHI recommend annual completion of general learning modules, and have annual reminders built into the learning system to ensure you stay current. However, please note that your local requirements for your organisation may differ. Please refer to your directives for your organisation from your jurisdiction or governing body. Auditor certificates are only valid for one year.

Q: How many CPD points do I get for completing a module?

A: The NHHI learning modules do not have an allocated number of CPD points. Self-directed learning earns 1 CPD point per hour of study, therefore each learner should keep a record of the length of time taken to complete the module for their own records.

Q: Why does my certificate have the wrong name on it?

A: The certificate name is generated from what is entered into the profile on registration, or the subsequently updated user profile.

If your certificate has someone else's name then you have logged into that person's profile instead of creating your own profile. Please log out and create your own profile from the login page for the LMS.

If your certificate has incorrectly spelt your name this is because you entered your name incorrectly on registration. Please email the NHHI with the name you registered with, and the correct spelling and this can be rectified and your certificate reissued. You can correct your name yourself in your profile, however any already completed certificates will not change the name automatically. All future certificates will appear with the correct name in future.

Currently under review

Q: My report is not showing completion details for some of my learners, but they have a certificate. Why is this?

A: Check in the search fields of your report request that you have:

- Unchecked the “show latest enrolment” box
- If searching by a date range have used the “completion date” and not the “date created”
- Ask your learner to login and check what organisation they are attached to for reporting by using the “change my organisation” link in the shortcut menu. If not linked to your organisation, once this is fixed they will appear in your reports.

Currently under review

User Profiles

Q: How do I update my details in my profile?

A: Your first need to be able to login to the learning system, then:

- click on your name in the top right-hand corner
- click on personal profile
- click the modify button
- update the necessary details and then press save

Q: How do I change the organisation I am attached to for reporting of my module completions?

A: You first need to be able to login to the learning system, then:

click on the 'Change my Organisation' tab in the Shortcuts menu

A pop-up box will tell you which organisation you are currently attached to. If this is incorrect, follow the steps to locate and select the correct organisation

PLEASE NOTE: If you have a certificate of completion from the NHHI system, yet this is not being recorded on your local organisation's training register, please contact your local organisation.

For example, NHHI do not directly update your "My Learning" profile.

The NHHI provide the means for organisations to run completion reports from our system, however not every organisation uses this.

Q: I would like to arrange for reporting access for my organisation. What do I do?

A: The NHHI learning modules are freely accessible to all users, without the need to be registered.

By being registered and your organisation name appearing in the drop down box to choose from on registration, you are gaining the ability to run reports in the system of staff/student completions of the modules. If you wish to be able to run completion reports, please provide the below via email to handhygiene@safetyandquality.gov.au and we can set up your organisation:

- Name of organisation:
Address:
Name and email of person requiring reporting access: (can have more than 1)
Please ensure that the person requiring reporting access has already registered in the system as a learner.
- **Please note:** Each staff member is still going to need to go through the individual registration process to create their own profile the very first time they attempt to use the system.

Currently under review

Other

For all other enquiries please send an email to our support desk:

handhygiene@safetyandquality.gov.au

Please include the following information in your message:

- Your name
- Contact number/email
- A detailed description of your question
- Relevant login details, organisation name, or employee/student number to assist locating you in our system.

Without this information we may not be able to help you.

Currently under review

Having trouble logging on?

There are several reasons you may be having trouble logging in the NHHI Learning system.

The NHHI Learning System is used by health care workers all across Australia and has been set up so that learners are able to complete modules and keep a record of their achievements on an ongoing basis. The system also takes into account that some learners may not have an email address or may not have an organisation in which they currently are employed.

If you are having trouble logging in there are several ways you may be able to resolve this for yourself. Please read through each of the sections below to identify what may be causing you difficulties:

Q. Are you definitely registered in the most recent NHHI system?

A: In March 2016 a new learning management system was introduced. If you completed a package before this time then you will need to register again.

If you are NOT registered, please close this page and press the 'REGISTER NOW' button on the login page.

PLEASE remember to provide as much information as possible on registration (including your place of employment/study and your employee/ student number) and please keep a record of the email address you used to register with as this is the only way we are able to contact you through the system.

Q. Are you *definitely NOT* registered (i.e. trying to “register now”) but the NHHI system keeps saying you are already registered?

A: As explained above the NHHI System is used by many health care workers all across Australia. If you are definitely not registered but the system keeps saying that you are, then it is likely that someone else in Australia who has the same name as you has already registered. If this is the case, please contact us at handhygiene@safetyandquality.gov.au stating this and we will assist you with set up.

If you are entering your name, your email and your employee/student number (not using the option to bypass this), then you will be able to register regardless of whether there is someone else with your name in the system.

Q: I do not have a surname, how do I register to use the NHHI learning system?

A: The NHHI system requires both the first name and surname fields to be filled in on registration. If you do not have a surname please enter a middle name, a full stop OR an x in the surname field. Please note: the text in the surname field will be visible on your certificate.

Q. I cannot complete registration as I get an error message stating that my email doesn't match?

A: Please ensure you are not cutting and pasting your email into the two boxes, but you type them both. Please also ensure you have not entered a space before or after your email address in either box. Once you have checked this, please email for assistance if you continue to receive the error.

Currently under review

Q. Are you *definitely* registered with the NHHI system but cannot remember your Login ID AND/OR password?

Q: What is my Login ID?

A: If you supplied an email address on your initial registration, then your Login ID is the **EMAIL ADDRESS** that you registered with,
OR

If you didn't supply an email on registration your Login ID is likely to follow the following conventions:

firstname.lastname eg. john.smith

OR

firstname_lastname eg. john_smith

Your Login ID is **not** your hospital login/employee number or anything you use in a local computer system.

Login details would have been emailed to you upon registration (if you supplied a valid email address). The email will be from notifications@southrock.com. Please check your junk/spam folder for your login details as NHHI emails are sometimes redirected there. If you can't find your login details, use the 'FORGOTTEN LOGIN ID OR PASSWORD' button on the login page.

Q: What is my password?

You were asked to nominate your password when you registered with the system. If you've forgotten your password, please close this information page and press the 'FORGOTTEN LOGIN ID OR PASSWORD' button on the login page.

Q: I cannot change my password as I am unable to click on the link in the email received. What do I do next?

A: Please copy and paste the link received into the address bar of your internet browser. Once you have pasted the link, please press return/enter to go to the password reset page. Enter your new password two times, then go to the login page and login.

Currently under review

Q. Did you use the forgotten password function, but didn't receive an email?

PLEASE NOTE: This is the most common issue people have with trying to log in. If you don't receive an email from the system, please check your junk/spam folder. If it is not there it is likely you did not provide an email address when you registered OR the email address you provided is now out of date OR incorrect.

The forgotten password email should arrive in your inbox within ½ hour after using the forgotten password function. If you do not receive it after this time please do the following:

- A. Check your junk and spam folders for the forgotten password email – if found, mark the email as “NOT JUNK”, then follow the prompts to login or change your password.
- B. Try using the forgotten password again, but this time with an alternate email that you may have registered with. For example, you may have entered your work email for the ‘forgotten password’ however when you registered you may have used a personal email address
- C. If you have tried all of the above steps that are relevant to you, it is likely that you may have missed entering an email into your profile, or you entered your email address incorrectly. In this case you need to contact handhygiene@safetyandquality.gov.au

Please include the following information in your message:

- Your name
- Contact number/email
- A detailed description of your question
- Relevant login details, organisation name, or employee/student number to assist locating you in our system.

Q: I cannot login to my profile as I no longer have the email I registered with. How do I fix this?

A: Please contact handhygiene@safetyandquality.gov.au

Please include the following information in your message:

- Your name
- Contact number/email (current)
- Your employee/student number (if you have one)
- Details of what your previous email was.

Then NHHI can manually update your profile with the new details and send your login details to you.
